**August 4-8, 2021**

***American Flair at Our County Fair!***

Sunnyview Expo Center, 500 E Cty Rd Y, Oshkosh

July 8, 2020

### **Hello County Fair Exhibitors (Youth and Adult) -**

Even though we had to cancel our traditional county fair this year, we haven't forgotten about you and all your hard work! We invite you to be a part of our ONLINE County Fair Showcase to display your talents and projects to the Winnebago County Community.

The Showcase will not be judged this year (so there will be no premiums or ribbons). We know this might be disappointing to some of you that look forward to the competition aspects of the Fair. However, the reason we are putting on a Showcase is to help motivate you ALL to keep learning and preparing for next year's County Fair.

### **Reasons to participate in this year's Showcase:**

- You will be part of The Famous 2020 County Fair - a Fair that people will be able to visit all year long (not just for one week).
- Motivation to finish (or maybe start) a fun project this year - and to keep perfecting your skills for competing at the 2021 Fair.
- Public recognition of your hard work, dedication and talents.
- An opportunity to show off what you have accomplished so far this year (no matter where you're at in the process).
- A chance to check out what other exhibitors have been working on and get tips, tricks and ideas from looking at their accomplishments.

### **Did you know? The Fair has many important roles in our community:**

- Promotion of Agriculture and Farming including education about where the food comes from.
- Promotion of Community Educational Organizations (like 4-H, FFA, Scouts, etc) that teach fun hobbies and valuable life skills to youth and adults in our community. (We will be running promotional "ads" during the Showcase for all youth and adult organizations participating in the Showcase)
- While the Fair is the culminating event of a year of hard work for many of you...it is the place where members of the public come to learn about and get inspiration for starting a new hobby or learning a new skill (cooking, gardening, sewing, taking the perfect photo, getting a pet, raising their own chickens and much more!)

### **We couldn't do any of this without our amazing exhibitors!**

Many of the Youth Organizations you belong to emphasize the importance of giving back to your community. Your participation in the Showcase helps us bring the WHOLE community some entertainment, inspiration and education. ADULT Exhibitors - you are important ROLE MODELS at our Fair. Not only do youth look up to your skills and set goals based on what they learn from you, but you inspire people of all ages to try new things, pursue their hobbies and become life-long learners!

**We hope to see all of your talents soon!**

Attached is all the information about the Showcase Guidelines and Submission Forms. Yes, we're going a little high-tech this year...if you need assistance or an alternate submission method just let us know! We do not want anyone to decide not to participate due to the technology.

**NEW Exhibitors are welcome to participate in this year's Showcase** to get a taste of the Fair and then join us next year for the full Fair experience. Please pass the Showcase information on to **Friends and Family** that might be interested in participating.

**There are 39 Days left until the Showcase Submission Deadline of August 15.** We wish you all a fun and productive month of learning, practicing, training and creating! Follow us on Facebook or checkout our website for ideas, tips and inspiration all month long!

**Showcase Guidelines and Submission Information are attached or are available on our [website](#) or [Facebook](#).**
